To: The Students in Grade 6  
Szkoła Podstawowa Nr 8

---

The Queen wishes me to write and thank you for your letters.

Her Majesty was pleased to hear how much you enjoy your English lessons, and that you are hoping to visit this country one day.

The Queen was interested to learn about your school and the town of Lubin and, although unable to reply to you personally, Her Majesty greatly appreciated your kind thought in writing as you did.

I enclose some information leaflets which you may like to have, and thank you very much once again for your letters.
